MEMORANDUM FOR THE RECORD

Morning Meeting of 30 July 1965

DDCI was in the chair. DCI was out of town.

There was a briefing and discussion of current evidence which now

this in today's CIB was not coordinated with OSI. DDCI indicated his concern over the manner in which the President's Daily Brief treated this subject. In general, it was thought that the Brief item came down too fast and too hard on the evidence which, in some respects, is quite tentative.

[redacted] noted information that the Viet Cong had prior knowledge of the latest B-52 SAC strike in SVN. He tabled a memo on the characteristics of the SAM system. He commended for reading a special weekly article on recent activities of the NFLSVN. He gave a rundown of current developments in Greece, Congo, Lebanon, and Cyprus.

Abbot Smith noted a JCS request for an assessment of the impact of Communist infiltration through Cambodia. Rather than doing the SNIÉ, this may become a CIA-DIA report. DDCI asked Abbot Smith to confer with Kent on this.

DDS noted recent opportunities for OTR briefing officers to clear up misconceptions about the Agency at briefings of AID and Foreign Service Officers.
